

# Clip-2-Save Lives - Breast Cancer Screening Reminder

Clip & Post as a Reminder

## OCTOBER IS Breast Cancer Awareness Month

Screening tests can find breast cancer early when chances for survival are highest and can reduce your risk of dying from breast cancer. Getting a mammogram is safe and should be considered a priority by all women especially those at high risk for breast cancer.

See your physician to find out **“what’s right for you!”**

Next mammogram due: \_\_\_/\_\_\_/\_\_\_
