

Certificate of Commitment

Mission Statement

The Hope Light Project is dedicated to communicating cancer awareness information to impact cancer prevention and cancer victim survivorship and to promote cancer education and research.

Vision 2010

“Hope Light cancer awareness communications achieves breakthrough in saving lives.”

Commitment

The Hope Light Foundation, in support of the Hope Light Project’s Mission and Vision, is committed to providing cancer awareness materials and training and educational services at no cost to benefit all people seeking the Project’s help in the fight against cancer.

Signed:

Rudy Bess, Founding Director
The Hope Light Foundation

*“The fight against cancer
begins with knowledge”*
