

Hope Light Crystal Lighthouse FOUNDERS AWARD

"in appreciation for your 31+ years in public health and for your significant accomplishments and enduring dedication to help Illinois residents reduce their burden of cancer and live longer lives."

**Hope Light
Crystal Lighthouse
FOUNDERS AWARD**

Selection Criteria

To qualify for a "Hope Light Crystal Lighthouse Founders Award", the individual must have sustained demonstration of the following four cancer-related character traits over a period of time:

- Leadership** – Be a leader in promoting cancer prevention and early detection.
- Dedication** – Have a passion for and be dedicated to educating communities to be knowledgeable of cancer signs and symptoms and where to go for help.
- Admiration** – Be a role model for others to follow in communicating cancer awareness.
- Inspiration** – Inspire others to work together to fight cancer and save lives.
